TERMINAL DISCLAIMER UNDER 37 C.F.R. § 1.321(e)

Sir:

SanDisk Corporation ("the owner") owns the entire interest in and to both the above-identified continuation application ("instant application") and parent patent no. 7,032,065 ("prior patent") by way of an assignment from the inventors of common parent patent application Serial No. 09/718,802, filed November 22, 2000.

The owner hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application that would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. §§ 154, 155, 156 and 173, as presently shortened by any terminal disclaimer, of the prior patent. The owner further agrees that any such patent granted on the instant application shall be enforceable only for and during such period that

Application No.: 10/727,759

such patent and the prior patent are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors or assigns.

In making the above disclaimer, the owner does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. §§ 154, 155, 156 and 173 of the prior patent, as presently shortened by any terminal disclaimer, in the event that the prior patent later expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR § 1.321, has all claims canceled by a reexamination certificate, is reissued, or is in any manner terminated prior to the expiration of its full statutory term as presently shortened by any terminal disclaimer.

The fee under 37 C.F.R. § 1.20(d) of \$130.00 is authorized in the accompanying Transmittal Letter. Please charge any additional fees required or credit any overpayment to our Deposit Account No. 502664.

Respectfully submitted,

Gerald P. Parsons
